Description:

Featuring vibrant full color throughout, the sixth edition of Bart D. Ehrman's highly successful introduction approaches the New Testament from a consistently historical and comparative perspective, emphasizing the rich diversity of the earliest Christian literature. Distinctive to this study is its unique focus on the historical, literary, and religious milieus of the Greco-Roman world, including early Judaism. As part of its historical orientation, the book also discusses other Christian writings that were roughly contemporary with the New Testament, such as the Gospel of Thomas, the

Apocalypse of Peter, and the letters of Ignatius.

FEATURES

A uniquely accessible and engaging writing style that vividly brings the New Testament story to life

Time lines, illustrations, maps, and more than 100 photos, including three photo essays

An extensive glossary of key terms, which appear in boldface type the first time they are used in each chapter

Introduction to the New Testament, Vol. 2: Hi... The exploration of the New Testament documents from a historical and exegetical perspective is invaluable. Ehrman's writing style is engaging, conversationalist, and easy to follow. I can imagine him in a conversation with his students as he wrote the book. * William Rodriguez, Bethune Cookman University *. About the Author. Bart D. Ehrman is James A. Gray Distinguished Professor of Religious Studies at the University of North Carolina at Chapel Hill. He has written or edited more than twenty-nine books, including six New York Times best sellers. His publications include The Bible, Second I believe every single Christian should possess this knowledgeable book to better understand the origins of Christianity Read more. 3 people found this helpful.Â She recommended this book which was her textbook for the New Testament when she was in seminary. I was unexpectedly surprised to learn what scholars have uncovered with their reserrch of the Dead Sea Scrolls, archeological finds and New Testament translations from the original Greek. Professor Ehrman does a good job of helping us understand the different methods used to do biblical study and research and is very good at defining the resulting theories of different scholars while letting his readers decide for themselves which theories and interpretations best fit each reader's individual u This lucid introduction approaches the New Testament from a consistently historical and comparative perspective, emphasizing the rich diversity of the earliest Christian literature. Rather than styling away from the critical problems presented by these books, Ehrman addresses the historicaland literary challenges they pose and shows why scholars continue to argue over such significant issues as how the books of the New Testament came into being, who produced them, what they mean, how they relate to contemporary Christian and non-Christian liteature, and how how they came. to becollected into a
