Indiana is a state in the Midwest and Great Lakes region of the United States. The state is bordered by Ohio to the east, Kentucky to the south, Illinois to the west, and Michigan to the north. It is the 38th-largest by area and the 17th-most populous of the 50 United States. It was the 19th U.S. state, admitted on 11 December, 1816. Indianapolis is Indiana's Capital and largest city. Population 867,125.

Indiana Tourism: Tripadvisor has 831,819 reviews of Indiana Hotels, Attractions, and Restaurants making it your best Indiana resource. With beaches, boating, and salmon fishing in Michigan City and Gary bordering Lake Michigan, there is more to Indiana than might appear at first glance. The agricultural heartland even has cross country skiing and snowmobiling to go with the Cornball Express. Southwest Indiana near Evansville is renowned for the well-preserved Native American Angel Mounds State Historic Site. Indiana is historically part of the North, but parts of the state display a Southern character that is largely a reflection of the region's early settlement by migrants from the South.
