Education in the state of Washington. (Oly Yesterday, on July 20, a car accident HAPPENED in the Main Street. Josh Peters, the witness, WAS STANDING on the corner and WAITING for the green light. He says he SAW a big red car which WAS DRIVING very fast. The driver probably WANTED to get through the yellow light. Meanwhile, a green van on the other street BEGAN to move forward. The driver of the red car WASN'T ABLE to stop in time. The two cars SMASHED. There WERE a lot of damage to both cars. The witness WAS CALLING an ambulance at once when he SAW that one of the driver WAS BLEEDING. The other driver WAS NOT HURT. A series of sprints to four A.T.M.s and two internet cafes later, I had a visa in hand and, the next day, was on a flight to Moscow. One day of waiting to pick up press credentials slowly turned into three. Flights were canceled and rebooked more than once.Â Tour groups can be found on the island, especially at Shaman Rock, but logistical challenges keep many big buses from making landfall.
