## Into the Rising Sun: World War II's Pacific Veterans Reveal the Heart of Combat

By Patrick K O Donnell

Free Press, United States, 2010. Paperback. Book Condition: New. 208 x 137 mm. Language: English . Brand New Book. In his award-winning book *Beyond Valor*, Patrick O Donnell reveals the true nature of the European Theater in World War II, as told by those who survived. Now, with *Into the Rising Sun*, O Donnell tells the story of the brutal Pacific War, based on hundreds of interviews spanning a decade. The men who fought their way across the Pacific during World War II had to possess something more than just courage. They faced a cruel, fanatical enemy in the Japanese, an enemy willing to use anything for victory, from kamikaze flights to human-guided torpedoes. Over the course of the war, Marines, paratroopers, and rangers spearheaded D-Day-sized beach assaults, encountered cannibalism, suffered friendly-fire incidents, and endured torture as prisoners of war. Though they are truly heroes, they claim no glory for themselves. As one soldier put it, When somebody gets decorated, it's because a lot of other men died. By at last telling their stories, these men present a hard, unvarnished look at the war on the ground, a final gift from aging warriors who have already given so much....

### Reviews

*This pdf is amazing. I actually have go through and that i am sure that i will planning to read once again again in the future. You wont truly feel monotony at at any moment of the time (that's what catalogs are for regarding when you request me).*

-- **Wellington Connelly**

*This kind of publication is every thing and taught me to seeking ahead and a lot more. It really is rally interesting throug reading through time. I realized this ebook from my i and dad recommended this publication to understand.*

Over the course of the war, Marines, paratroopers, and rangers spearheaded D-Day-sized beach assaults, encountered cannibalism, suffered friendly-fire incidents, and endured torture as prisoners of war. These veterans were often the first in and the last out. Patrick O'Donnell has made a career of uncovering the hidden history of World War II by tracking down and interviewing its most elite troops: the Rangers, Airborne, Marines, and First Special Service Force, forerunners to America's Special Forces. These veterans were often the first in and the last out of every conflict, from Guadalcanal and Burma to the Philippines and the black sands of Iwo Jima. They faced a cruel enemy willing to try anything, including kamikaze flights and human-guided torpedoes. Over the course of the war, they had spearheaded D-day-sized beach assaults, encountered cann
