Play therapy is a method of meeting and responding to the mental health needs of children and is extensively acknowledged by experts as an effective and suitable intervention in dealing with children's brain development. It is generally employed with children aged 3 years through 11 and provides a way for them to express their experiences and feelings through a natural, self-guided, self-healing process. As children's experiences and knowledge are often communicated through play, it becomes an Using Superheroes and Villains in Counseling and Play Therapy. Lawrence C. Rubin. 4.7 out of 5 stars 5. "There is something democratic about a therapy that can respond empathically to the experiences that patients enjoy and feel that they understand emotionally." - From the Foreword by John Shelton Lawrence, PhD, Morningside College, Emeritus. From the Back Cover. Reviewed in the United States on March 9, 2011. Verified Purchase. I ordered this book in advance of the spring SC Association for Play Therapy conference so I could be better prepared for the presentations. It is an incredible book and the author's presentations amplified the content. I am so excited about putting the concepts into action! Superheroes in Play Therapy With an Attachment Disordered Child Carmela Wenger The Role of Neuroscience The Therapeutic Appeal of Superheroes to the Child With Attachment Disorder An Orientation to Treatment Case Study Luke, I Am Your Father! A Clinical Application of the Star Wars Adoption Narrative Lawrence C. Rubin Adoption, Superheroes, and Star Wars The Reality of Adoption The Case of Alex Conclusion. Scanlon served on the board of the Indiana Association for Play Therapy from 1997 to 2001 and as InAPT President 1999-2000. Since then, she has been involved as chair of various committees of the Association for Play Therapy. She enjoys gardening and playing with her four dogs, Shiva, Erin, Kali, and Plato. The Association for Play Therapy (APT) is a national professional society established in 1982 to foster contact among mental health professionals interested in exploring and, when developmentally appropriate, applying the therapeutic power of play to communicate with and treat clients, particularly.... Please join us for an NYAPT virtual event "Supporting NY APT Members During the COVID-19 Crisis: A Panel Discussion"! The COVID-19 crisis has caused us to cancel our annual conference, but we can still use technology to come together virtually. Who: The panel will be moderated by Ann Beckley-Forest, LCSW and will feature Mary Ann Assini, LCSW, Athena Drewes, Ph.D., and Sue Bundy-Myrow, Ph.D. When: 11:00am-12:00pm, Saturday, April 4, 2020.
