The book contains poems and stories of the many Native-American cultures. Instructional uses for *The Earth Under Sky Bear's Feet*: 1. This is a great book to use if you are teaching a unit on Native Americans. Students can create their own stories about the different animals that come out at night, or the different constellations that appear in the night sky. 2. The class can write a song together about the night sky, and sing it at the culmination of the unit.
